**Sacramento, December 27, 2001** – State Controller Kathleen Connell today issued \$5,000 in funds for improvements to the City of Artesia's Radio TV program.

The program, which airs on local cable channel 3, provides information about city services, programs, special events and holiday hours. It includes information in both English and Portuguese.

"This is an efficient way for the City of Artesia to share information with its citizens," said Controller Connell. "I am pleased to issue these funds to improve the program."
